### AGENDA

1. **Opening Remarks**
2. **Adoption of Agenda**
3. **Session I:** Presentation by NADI delegations, 10 minutes for each member on  
“Climate Change and Challenges for Stability”

The session aims to assess how climate change affects the geo-political stability of nations. As climate change is increasingly affecting daily lives and geo-politics, this session invites NADI participants to share views and discuss:

1. The role of climate change in politics
2. How climate change affects geo-politics;
3. How climate-induced crisis affects human security and societal stability.

4. **Session II:** Presentation by NADI delegations, 10 minutes for each member on  
“Climate Change and its Impact to Defence and Security”

The session aims to discuss how climate change carries consequential impacts to the military, defence and security. NADI participants are expected to share how climate change affects:

1. Military planning, operations and readiness;
2. How the changing climate affects military assets and how the military can lessen its environmental impact;
3. Future capability.

5. **Session III:** Presentation by NADI delegations, 10 minutes for each member on  
“Way Forward: AMS Defence Sector Collaboration on Climate Change.”

The ASEAN Region is not exempted from the effects of climate change and are one of the vulnerable regions prone to climate change effects. Hence, AMS militaries and

its defence sector can propose a way forward to mitigate and overcome the challenges of climate change. NADI participants are expected to discuss the following:

1. Discuss ways on cooperation and exchange of information on climate change;
2. Exploring the use of existing mechanisms;
3. Proposing a way forward for AMS Defence Sector to collectively limit the impacts of climate change

**6. Other Matters**

Future NADI activities [Hosts of NADI Workshop to update on upcoming activities]

**7. Consideration of Recommendations for the Chairman's Report**

**8. Closing Remarks**
