3. Session II: The Role of Military History and its Significance in Maintaining Peace and Security in the Region.

The NADI participants are encouraged to share experiences and lesson learned on how the military takes part in peacebuilding, national development, and diplomacy. This session will discuss the military history of ASEAN Member States with the focus on, but not limited to:

1. The role of Armed Forces in contributing to regional and international peace and stability through defence interaction and diplomacy;
2. The historical role of the Armed Forces in peace and national building;

4. Session III: New and Innovative Approaches towards Enhancing Cooperation through the Study of Military History.

This session will focus on the significance of the study of military history among NADI members and seek way to help ADMM to promote mutual understanding, enhance cooperation, and interoperability as well as explore new areas of cooperation into the future. How the study of military history can help identify new and innovative approaches to learn from history.

5. **Session IV: Buliding on Military History to Strengthen Cooperation and Confidence among ASEAN Defence Establishment.**

This session focuses on how past events of security challenges have brought about the development of defence cooperation in the region and how these memories help to further strengthen cooperation and confidence among the ASEAN Defence Establishment.

6. **Other Matters**

7. **Consideration of the Chairman's Report**

8. **Closing Remarks**
