

# COUNTERING EXTREMISM

## ISIS AND ITS AFTERLIVES

### Synopsis

The Centre of Excellence for National Security (CENS) is organising a workshop from 28 to 29 September 2017 in Singapore on **ISIS and its Afterlives**. It aims to: (a) assess the current state of the global jihadist threat; (b) examine best practices in countering violent extremism (CVE); (c) explore the future development of both jihadist and non-jihadist violent extremism; and (d) conceptualise policy recommendations to enhance CVE initiatives.

### Panels

- ISIS and the Middle East
- ISIS and the West
- ISIS and South Asia
- ISIS and Southeast Asia
- Other Theatres

### Who Should Attend

Policy-makers, mid to senior-level officers and analysts, researchers, and academics involved in examining radicalisation, countering violent extremism, terrorism, and national security
